Fall craft fair at Farmers' Market on Saturday

The Harrison County Farmers' Market will host a fall craft fair on Saturday, Sept. 28, 9 a.m.-7 p.m. Vendors can set up after 7:30 a.m. The fee for setting up is \$15 payable upon arrival and at which time vendors will be given a booth assignment. Electric is available, however, vendors must bring their own tent, tables, chairs and electrical cords.

The Boy Scouts will provide concessions all day and will also help vendors unload vehicles and assist with parking. This event is also a fundraiser for the troop and an opportunity for them to gain some community hours needed to earn badges.

Contact Vickie Fryman at 859-987-1758 for more information.

Sewing basics class offered at LVC

A how-to sewing basics class will be offered through Maysville Community and Technical College, Licking Valley Campus Extension on Oct. 7-14 at Harrison Square.

Participants who pre-register by Oct. 1 will learn how to do minor repairs and basics of sewing. There is also a \$20 fee.

Relay for Life 3-on-3 tourney is Saturday

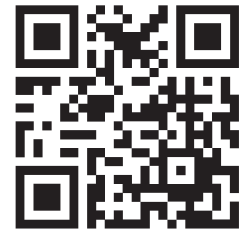

The first Harrison County Relay for Life 3-on-3 basketball tournament will be held Saturday at the Cynthiana-Harrison County Sports Center beginning at 9 a.m. There is a \$40 fee per four-person team.

Contact Michael Thomas at 588-4154 or Valerie Ravenscraft at 859-522-5097.

Food and drinks will be available. All proceeds from the event will benefit Harrison County Relay for Life.

CAPTURED *on video*

Photo by Ryan Roush

A SURPRISE REUNION - Jayce Pickett, 9, was surprised by his father, Brandon, while at his last home football game. Brandon Pickett, originally from Cynthiana, was allowed to return home early from his post in Afghanistan. The video of his return went viral on the web.

Soldier's homecoming goes viral

By JOSH SHEPHERD, NEWS WRITER
LAWRENCEVILLE, IL

— All Kylie Pickett wanted to do was share the video of her husband, Staff Sergeant Brandon Pickett, originally of Harrison County, surprising his son at the Peewee League football game. Brandon had returned three months early from his deployment to Afghanistan.

The video captured the heartwarming moment when Jayce Pickett, 9, in his Peewee football uniform, realized that the army soldier walking toward him on the football field was his father. The young boy ran crying for joy into his father's arms.

But when Kylie Pickett decided to upload the video to "WelcomeHomeBlog.com," the video went unexpectedly viral in a big way.

Within 24 hours of its posting, the website recorded over 3,000 hits, Kylie said. By the next day, the video had been broadcast by The ABC morning news show Good Morning America. It was also shown on Fox News, Inside Edition, and the Yahoo

Online News Service.

"It was even picked up for broadcast in the United Kingdom," exclaimed Ryan Roush, owner of O5P Films and a friend of the Pickett family. Roush made the video as a favor to Kylie and even went to the trouble of editing the video as a professional project, but he never expected it to be such an immediate internet sensation.

"I have never had this kind of experience before. I've produced three or four videos before this one and none of them have taken off like this," Roush said.

This is how it all happened:

SSgt. Pickett was given permission to return three months early from a 12-month tour of duty in Afghanistan.

When he gave his wife the news, they decided to surprise their children with his return. Kylie left their daughter, Jaylie, 6, and son, Jayce, 9, with family members in Lawrenceville while she went to meet her husband at the airport in St.

Louis on Saturday, Sept. 13.

Since Jayce had his last home football game the very day that his father was arriving, the couple decided that they would stage the surprise for Jayce at the playing field.

Because of service obligations, Brandon had never had the chance to watch his son play football live. It had always been in videos seen afterward on his computer.

Knowing that relatives would like pictures of this reunion, Kylie contacted Roush to capture the moment in pictures. It was Roush who suggested that he shoot a video of the event instead.

"I am adding video services to my profession and I thought this event would be great to add to my portfolio," Roush said.

Brandon arrived at the football field before Jayce's team arrived and stayed hidden in the press box until after the playing of the national anthem.

According to Brandon, the plan was to throw a football to Jayce, "but when they announced my name, he just

See PICKETT, page 5

"When they announced my name, he just came running and threw himself into my arms."

Brown contempt hearing continued

October court dates set in bankruptcy, criminal cases

By BECKY BARNES, Editor

On Monday, U.S. Bankruptcy Judge Alan Stout continued a hearing to Oct. 1 to decide a motion of why Brenda Kay Brown should not be held in contempt and sanctioned for failing to comply with court orders.

Allegations are that Kay Brown, the estranged wife of former Cynthiana mayor and businessman James Brown, failed to comply with court's orders to return estate property that she had allegedly taken. The court will also determine sanctions for failing to comply with the court orders.

According to documents filed July 3, Mrs. Brown refused to turn over converted property and missing jewelry to the trustee or to provide the required accounting.

The order also requests that if Kay Brown is found in contempt that she be incarcerated until she complies with the turnover order.

The original turnover order was filed Dec. 12, 2012, and included five pages of items that were identified as estate property that had been inventoried but not returned.

According to a 16-page document filed Sept. 16 by the Brown parties and James Westenhoefer, Chapter 7 trustee, Kay Brown claimed in a March 8, 2012, itemized list that she had \$8,850 worth of jewelry. Included on the list was a \$6,800 engagement ring. However, the appraised value of the ring is \$65,000.

According to court documents there was also a ring that belonged to Mr. Brown with a 5.09-carat diamond surrounded by 10 baguette diamonds weighing an additional two carats for a total of 7.08 carats.

Following his stroke on Dec. 23, 2008, after 10 months of marriage, Kay Brown allegedly had the 7.09-carat diamonds removed from the ring and made into a custom-made ring for herself, the documents state.

That ring was appraised at \$75,000 and insured for \$76,200.

Kay Brown testified in

Three country churches burglarized Friday morning

By JOSH SHEPHERD, NEWS WRITER

Burglars broke into three different Harrison County churches early Friday morning, stealing computers, a television and several pieces of video equipment.

Deputy Sheriff Joe Daniel investigated all three burglaries later that same Friday morning as they were reported in succession to the Harrison County

Sheriff's Office.

No suspects have been arrested in connection with the burglaries, but there is a suspicion that all three may have been perpetrated by the same person or persons.

The first call was reported by Serf Robles at Kingdom Hall Jehovah's Witness church on US 27 North. According to the report, the church had a bro-

ken window and a busted shed door.

However, nothing was reported missing from the premises.

At 10:19 a.m., Neil Holmes reported that someone had broken a basement window at Unity Christian Church on KY 36 west.

Daniel's report indicated that the burglar also damaged another interior door and that

a laptop computer and two video cameras were missing from inside the church.

The last reported church break-in came at 1 p.m. when Willie Riggie, a deacon at Robinson Christian Church on Robinson Union Road, called the Sheriff's office. Riggie informed the deputy that a basement storm window had been

ripped out.

A basement window had apparently also been removed and replaced backwards, according to the case report.

Taken from the Christian church was a 40-inch television and a blu-ray player.

Investigation into the burglaries is continuing as of press time.

Calendar

THURSDAY, Sept. 26

Zumba Your Stress Away with Angelica Burchell. Classes will be held at the Licking Valley Campus Extension in Harrison Square from 6:30-7:30 p.m. every Thursday evening in October. Pre-registration is required by Sept. 26 by calling 234-6689 extension 105 or 0.

TOYOTA KENTUCKY REPUBLIC BANK Kentucky Southern States

Group wants approval for liquor-by-the-drink sales on Sundays

By BECKY BARNES, Editor

Sunday liquor by the drink sales is the goal of two men who approached the Cynthiana City Commission Tuesday.

Mike Aldridge, president of the Cynthiana City Commission, and Charlie Biancke, vice president, told commissioners they were representing not only the Country Club but also restaurants Don Senior, Rancho Bob's and the Elk's Club.

"Our request is based on our belief that we as businesses can operate more effectively with the additional income that the extra day of sales would bring us," Aldridge told commissioners.

He added that in addition to the income for businesses, the added day of sales would also generate more revenue for the city coffers.

"The city would also be able to attract other restaurants that will not come to a city our size without the opportunity for seven-day alcohol sales," Aldridge said. "Without these restaurants, as good as our current restaurants are, any additional motel/hotel companies will not consider Cynthiana."

Aldridge also touched on the safety factor citing the hazards in incidents where people are driving out of town "to dine, have a few drinks and then drive back to Cynthiana."

He noted that Scott, Fayette and Clark counties have seven-day liquor sales.

"Not selling the alcohol here is not going to prevent our citizens from buying and drinking elsewhere and then making it more of a concern on highways," Aldridge said.

Biancke asked that when considering the proposal to also consider changing the licensing criteria from a 100-seat restriction to a percentage of sales to make it easier for small businesses to apply for a license.

Mayor Steve Moses told the pair that the commission would take the request under advisement.

In other business, the commission:

- Approved the second and final reading of ordinances establishing tax rates for Cynthiana. Motor vehicle tax will remain at 16 cents for every \$100 of assessed motor vehicles. The real, personal and mixed property taxes was set at 17.4 cents for every \$100 of assessed property.
- Awarded the bid for a 2001 Ford Crown Victoria to Gene McKinley with his high bid of \$1,050.62. Nine bids were received.
- Opened bids for sludge hauling from the waste water treatment plant. The bids will be reviewed and voted on at the next meeting.

- Agreed to offer full-time employment to an equipment operator/maintenance worker II in the public works department.
- Agreed to start the process of improvements at the city's water treatment plant to meet new Environmental Protection Agency drinking water standards.
- "It's not something we have a whole lot of say about," said Commissioner Jack Keith. "When the EPA speaks, you had better listen."
- Hired Robert N. Chaffey as a full-time firefighter; James C. Grimes and William M. Bills as part-time firefighters, and moved Maria Kuster Collins from part-time telecommunicator to full-time temporary.
- Heard Commissioner Gary Brunker report that a draft of the recent operations assessment for the Cynthiana Police

Department was complete and that it had been reviewed. He said the assessment should be at the printers next week.

- Announced that Trick-or-Treat will be on Thursday, Oct. 31, 6-8 p.m. for children 12 years old and under.
- Read a letter of appreciation from Bullard for the city fire department's response during a Sept. 2 fire at the plant.
- Agreed to advertise for bids for a new fire truck. Brunker said there are 52 pages of specifications for the truck. He said the city will be looking at funding. He said some of the local banks have expressed an interest and the Kentucky League of Cities bond pool is also an option.
- Recognized Sgt. Brian "Timmy" Wells, who recently retired, for his many years of service to the city as a police officer.

Brown

From BROWN, front page

February 2012 that she no longer had the ring.

The records also show that Kay Brown took a Caribbean cruise during the last week of March 2011, following a status quo order from Harrison District Court on March 8, 2011. The status quo order was to preserve Mr. Brown's assets.

According to court documents, while on the cruise Mrs. Brown made total jewelry purchases amounting to \$35,351.10.

Kay Brown testified that when she returned from the cruise she left all of the jewelry at Jim's Cynthiana house, but that jewelry was all missing when she returned to the house in the fall of 2011.

Three months later, in June, action from Harrison District Court ordered that Mr. Brown be removed from a house in Paintsville and returned to Cynthiana.

Kay Brown was advised to have no contact with Mr. Brown.

"Based upon informa-

tion and the debtor's prior conduct, the Brown parties and the trustee believe the debtor has the jewelry she claims is missing," the documents state.

As part of the Chapter 11 proceedings, on Feb. 27, 2012, the Brown parties requested authorization to enter Kay Brown's 10,000-square foot house and video tape and appraise the contents.

However, she would not allow access to the walk-in safe, any closets or drawers and was also not allowed time to inspect a separate guest house.

In October 2012, following a court order disallowing Kay Brown's exemptions in her bankruptcy case, which was initiated in January 2012, she left her Paintsville house and was permitted to take only her everyday wearing apparel.

After a follow-up inspection it was determined that she had taken a significant amount of furnishings.

When contacted, Kay Brown agreed to return the furnishings and took them back to the Paintsville house and stored them in the garage.

Again, however, it was determined that a great deal of the furnishings were missing.

"Despite this court's order to return all of the property in her possession and to provide an accounting for all the property, the debtor has failed and refused to do so."

It was also noted that Kay Brown participated in the Paintsville Christmas Tour of Homes last year and that a video shows a large amount of expensive Christmas decorations that have never been disclosed.

In addition to the contempt hearing in U.S. District Bankruptcy court in October, Kay Brown will also have a pretrial hearing in Harrison Circuit Court on criminal charges of financial exploitation of an adult (more than

\$300), first degree perjury and second degree criminal possession of a forged instrument.

A five-day trial has been set for Oct. 28 through Nov. 1 to hear the case.

She was indicted in Harrison County in November 2012. There are also criminal charges pending in Johnson and Lawrence counties.

CLARIFICATION

In pictures of Grandparent's Day on the front page and church page last week, the children's program at First United Methodist Church was mistakenly identified as a day care. The program is, in fact, a pre-school program with a specific curriculum and board.

Family thankful for community’s support after shop fire

To the editor:

The Prows families want to send out a big thanks to the Mark Sadler and Ben Clifford families for hosting a “Stock the Shop” party for our family. We also want to thank everyone who came and supported us by bringing food, cards, gifts and money to help replenish our shop after a fire.

We also want to thank each and everyone who came out the day of our fire and the days following to help us clean up. Words cannot express how much everything has meant to us.

Ethan Prows

Herschel Turner
1919-2013

Charles Tribble
1925 -2013

Turner, Tribble never stopped being educators

Harrison County lost two of its best cheer-leaders recently.

I’m not talking about pompom-waving, kicking and yelling cheer-leaders. I’m talking about two men who could only do good and say good about their county.

Both men served their country during wartime. Huck Turner was even a prisoner of war for just one month shy of two years.

Charlie Tribble and Huck Turner were givers. Both men knew the value of education and were willing... no, anxious, to help others gain knowledge.

They were soldiers through and through.

Huck always attended veterans’ events, which were usually set up by Charlie.

Charlie was one of the back-bones of the annual Veterans’ Day program at Battle Grove Cemetery. He helped grow the program by insisting that young people be part of it; from the Harrison County High School band and chorus to members of the ROTC.

Charlie made it important for others to learn about World War II.

I had known Charlie for several years when he walked in the office one day and suggested that the newspaper do a continuing column on WWII.

“I’ll do it,” he offered, explaining that he just needed the go ahead and the space.

His suggestion evolved into several months and then years of columns.

The newspaper received letters frequently about Charlie’s columns. They brought back memories for so many people who truly appreciated what he was doing.

Charlie was a retired public school educator, but he never retired from educating.

Even after he stopped writing his weekly columns, he would make a Thursday afternoon stop at the newspaper office to bring

us the left-over dessert Avi Bear of Avi’s Oven Art provided for the Rotary Club.

Charlie would make story suggestions and give us insights to ponder.

Becky
Barnes
Editor

I so loved to listen to his stories, many of which originated at Buena Vista or Connersville schools.

You’ve heard the saying of someone never meeting a stranger... that surely to goodness was written about Charlie Tribble.

He did so many things for so many people that it would be impossible to list them all. However, he was responsible for getting recognition and benefits for a number of soldiers and/or their families.

He assisted with getting local WWII veterans on an Honor Flight to the Soldiers’ Memorial in Washington, D.C.

Charlie and Huck had more in common than service to their country. They were both former teachers, coaches and farmers.

Huck believed so much in continuing education that he established a \$1 million endowment at Eastern Kentucky University. Through his scholarships Huck made it possible for Harrison County kids who met requirements to get a college education.

There surely needs to be a bronzed chair placed in the HCHS gymnasium near the cafeteria doorway.

Huck rarely missed an opportunity to watch the Harrison County Thorobreds in action... and he saw it all from his chair at the end of the gym.

Charlie and Huck died less than a month of apart. Charlie was 88. Huck was 93.

The loss of just one of those hometown heros left a huge void in the community. The loss of both stalwart crusaders can only be described as harrowing.

They did many things for this community ... some we’ll never know, some we’ll just have to look back with fond musings.

Magistrates give nod to \$775K loan for courthouse renovation

By JOSH SHEPHERD, News Writer

After deliberation about the fiscal court's commitment to keep tight rein on the county budget for the next decade, the court took the next step in the courthouse renovation project by approving a bid from Civic Financing for a 10-year loan for \$775,000 at a fixed interest rate of 1.92 percent.

"I was going to recommend a 15-year or 20-year loan until I got this bid with this interest rate," said Harrison County Judge-Executive Alex Barnett.

Despite the favorable interest rate, though, magistrates were not quick to approve the judge's recommendation. Most expressed concerns about the court's commitment to maintain strict controls on spending in order to retire the debt within the time frame and not let other costs get out of control.

The estimated annual payments to cover the loan in 10 years was estimated at around \$85,000 a year, Barnett said.

"Before I approve this, I think we need to have a clear game plan about the places in our budget where we're going to make cuts," Magistrate Jeff Brunker said.

Magistrate Brad Marshall was equally reluctant to move forward. As he stated in the previous court meeting, he preferred that the fiscal court take this aggressive approach to retire debt quickly. But he wanted to be assured that the entire fiscal court was on the same page when it comes to approving annual budgets for the next decade.

"We know that we're going to have make cuts in places. Some of us may have to make political decisions based on our districts, but that doesn't mean we all do," Marshall said.

Magistrate Bradley Copes was even more conservative in his thoughts. He said he would be in favor of financing the project at around half a million, but the debt, in his opinion, was still too deep.

"The courthouse's structure is sound. The

interior has deteriorated, but the building is not going to be falling anytime soon," Copes said.

Marshall and Brunker cited the projects that the court was already taking on, such as the need for new automobiles in the Sheriff's department, a new bucket truck, the new salt building, and the court's commitment to the Welding Academy project.

"You never know what kind of things are going to hit the budget over the next ten years," Marshall said.

Magistrate Missy Lutz, however, shared Judge Barnett's optimism that Harrison County could easily meet the debt obligation at the courthouse and still maintain county services at a solid level of quality.

Furthermore, Barnett said the public feedback he has received from his talks on radio and presentations to the Lions and Rotary Clubs have all been supportive of this project.

"The courthouse is

the centerpiece of our county and people want to see it maintained," Barnett said.

In a roll call vote, the magistrates approved the financing bid by a 6-1 vote with Copes being the sole dissenting vote. Magistrate Frank Henson was absent due to a time conflict and, therefore, did not vote.

Sheriff's cars need replacing

Hampton said most of his department's vehicles are in serious need of replacement.

Almost all of the vehicles date back to 2007 and have over 120,000 miles on their odometers. Transmission problems range from bearable to dangerous.

"Deputy Tuan Kreer's vehicle doesn't have reverse anymore," Hampton said. "It will take about \$3,500 to repair it."

To deal with the immediate needs of the department, Hampton is giving Kreer his vehicle, which has only 28,000 miles on it.

The department has two other cars with about 85,000 miles on them that need repairs, but can be safely used by deputies.

The costs of used law enforcement vehicles

are about the same as new, Hampton said, so there is no cost savings in buying used.

Barnett said there was only money in this year's budget for one new vehicle. Perhaps some money can be available for next year, but he asked if the department can keep it together until the next fiscal year. Hampton said the department could handle it.

The fiscal court approved the purchase of a new Ford Explorer for the Sheriff's Department from Crossroads Ford.

In other business, the court:

- Approved bids from Ron's Concrete to replace bridges on Bobtown Road for \$62,877 and Cummins Lane for \$59,828. Barnett said he is applying for discretionary funds to cover the costs, but if that doesn't work, he would use 80-20 money.

- Douglas Hall, a private citizen living near the Cynthiana bypass construction, expressed his concerns about drivers failing to heed stop signs at the intersections of the bypass with White Oak Pike and Connersville Road. These roads never have had stops on them

before and Hall has observed drivers running by the signs without slowing down.

This situation is especially dangerous during the school year when buses are picking up children.

Magistrates agreed with Hall that the intersections are becoming dangerous and that the intersections may need more law enforcement when the by-pass opens. They may even require the installation of traffic lights.

- Approved paving projects for Silas and Newtown Roads if Barnett can get approval from Frankfort for money to pay for the work.

- In his report from the roads committee, Marshall said that the bucket truck that has been in need of repair is so old that parts for it are no longer being manufactured. The need for a bucket truck is enough to warrant the fiscal court buying a new one.

- In her report on Parks and Recreation, Lutz said the committee agreed to meet the fourth Monday of every month at 5 p.m. in the Harrison County Sheriff's office.

Pickett

From PICKETT, front page himself into my arms."

The event drew a standing ovation from the parents in the stands, but no one anticipated that the crowd who would eventually see, and applaud, this touching reunion, would number in the millions and be featured on national and international television.

"I just put it on 'Welcome Home' because I thought the blog would be a nice place to share the video. But it obviously struck a chord with people," Kylie Pickett said.

Brandon Pickett is a 2001 graduate of Harrison County High School. He volunteered to join the army a few months after the events of 9-11 and has since spent three tours of duty overseas.

He completed two tours in Iraq in addition to his 9-month tour in Afghanistan. He will spend about two weeks

with his family before returning to his active duty post in Texas.

His family lives in Lawrenceville, Ill, where Kylie Pickett can take care of her father and her children. She also has members of her immediate family in the area to help out.

"She is the real hero in all this," said Brandon. "While I've been on active duty, she has been handling everything at home by herself. She spends a lot of her time under a lot of stress, but she handles it all very well."

In addition to his Illinois family, Brandon has deep roots in Harrison County. His mother and stepdad are Brenda and Stephen Hamilton, his father and stepmom are Allen and Kim Pickett, all of whom are from Harrison County.

He has two brothers and one sister. Matthew Pickett is a Marine stationed at Camp Le Jeune, S.C. His other

brother, Michael, and sister, Andrea Baker, both live in Harrison County.

His maternal grandmother is Wanda Lyons and his great-grandmother is Louise Pickett.

Among his grandparents were the late Ray Lyons and Shirley Smiley. Another grandparent to Brandon Pickett was the late Gordon Pickett.

Gordon, 72, died a few days after the video was released from injuries he sustained when he lost control of his motor scooter on KY 36. He was being treated for his injuries at the University of Kentucky Medical Center when he passed away on Sept. 19.

Obituaries

Doris Adamson, 85

Doris Adamson, 85, Mt. Olivet, died Thursday, Sept. 19, 2013 at Care Center at Kenton Pointe in Maysville.

She was the daughter of the late Leslie and Dora Stewart Howard. She was preceded in death by her first husband, Jesse Glenn Adamson.

Survivors include: her husband, Dean Adamson; a son, Philip Adamson, Robertson County; and a daughter, Jan Caldwell, Robertson County; and seven step children, Robert Adamson, Darrell Adamson, Richard Adamson, Larry Adamson and Deana McCoy, all of Mt. Olivet, Ronald Adamson, Winchester and Brenda Adamson, Maysville.

Funeral services were held Sunday, Sept. 22 at Robertson County Funeral Home by Bro. Danny Howard and Bro. Ronald Spencer. Burial was in Mt. Olivet Cemetery.

William C. Fightmaster, 74

William C. Fightmaster, 74, widower of Jean Winkle Fightmaster, died Tuesday, Sept. 24, 2013.

He was born Feb. 17, 1939 in Harrison County to the late Claude T. Fightmaster and Lottie Williamson Fightmaster. He was a member of Bethel Fellowship, and a U. S. Navy veteran. He was preceded in death by nephew, Mark Whalen.

Survivors include: his sons, Jay T. (Michelle) Fightmaster and Dale (Carol) Miller, both of Georgetown; grandsons, Travis Fightmaster, Chad Miller, and Derrick Miller; a great-grandson Derrick Lee Miller; sister, Patsy Fightmaster Turner, Lexington; brother-in-law, Kenneth Whalen; and nephew, Gary Whalen.

Funeral services will be Friday, Sept. 27 at 11 a.m. at Tucker, Yocum & Wilson Funeral Home with the Rev. Randy Gregory officiating. Burial will be in Crestlawn Cemetery. Visitation will be 5-7 p.m. Thursday and 10 a.m. until time of service Friday at the funeral home.

www.tuckeryocumwilson.com

Gordon Freddie Pickett, 72

Gordon Freddie Pickett, 72, Cynthiana, died Thursday, Sept. 19, 2013 at the University of Kentucky Medical Center in Lexington.

He was the son of Marjorie Louise Dowd Pickett, Harrison County, and the late Floyd B. Pickett.

Survivors include: a son, Allen Pickett, Harrison County; and a daughter, Lisa Robinson, Waco.

Funeral services were held Sunday, Sept. 22 at Ware Funeral Home. Burial was in Robinson Cemetery.

Larry Edwin Newman, 66

Larry Edwin Newman, 66, beloved husband, father, grandfather, and friend, went to his heavenly home on Sunday, Sept. 22, 2013.

He was born in Ashland, Ky., on May 2, 1947. He was a teacher at Harrison County High School in Cynthiana for 27 years, and drew custom house plans in the area for more than 40 years. He also attended Bedford Acres Christian Church in Paris, Ky. for many years.

Survivors include: his wife of 44 years, Joanne Jasper Newman; a son, Andy Newman (Kim); a grandson, Silas Newman; a sister, Sharon Stidom (Dick); his brother-in-law, John Jasper (Patsy); and several nieces, nephews, and many friends.

He was preceded in death by his parents, Paul and Pauline Kegley Newman and a brother, Carl David Newman.

Services were held Tuesday, Sept. 24 officiated by Dr. Tom LaHue at 11 a.m. at Milward-Southland, 391 Southland Dr., Lexington, Ky. Burial was in Blue Grass Memorial Gardens.

In lieu of flowers, contributions are suggested to Bedford Acres Christian Church's Room in the Inn ministry or the Bedford Acres building fund, 5414 Lexington Rd., Paris, KY 40361.

PARK EQUIPMENT DEDICATION The Rev. Ross Park, located on Louis Stout Way received new playground equipment recently. A dedication was held Sept. 14, at the park. The park committee provided hot dogs, chips, drinks, ice cream for those attending.

Fillies Athletic Club formed

Harrison County Fillies Basketball Coach Kim Furnish and assistant Jenna Landacre have formed the Fillies Athletic Club to help support Fillies athletics. The group has nearly 100 members and is adding members at a daily rate.

The first event for the club was the Fillies versus Bourbon County soccer match which was held on Sept. 9.

"We had about 30 members in attendance that night to cheer on the Fillies soccer team," said Furnish. "Coach Landacre and I hope that this number will grow with each event."

The Fillies Athletic Club is also reaching out to former Fillies who would like to become part of the organization. Furnish feels that the former Fillies would be valuable as speakers to the group and mentors to the younger, current Fillies.

There are plans to host a Fillies Field Day to

compete with one another, have tailgating before one of the Breds events and other activities to build school spirit especially among the young ladies of the school.

The organization will also name a Fillies Player of the Month beginning in October who will be selected by the members. The focus is to be able to give the support that the Fillies deserve in each sport.

Oct. 10 also brings a new event to the area as the Fillies are hosting a Fillies Test Drive at Kentucky Bank on south U.S. 27. Chrysler on Nicholasville is bringing the latest Chrysler, Dodge and Ram cars and trucks for the public to see and test drive.

The event, which lasts from 1 to 6 p.m. on Saturday is co-sponsored by the dealership and Kentucky Bank. The Fillies basketball program will receive a donation for each test drive.

SHARON AND NORMAN GREENLEE

Brochure distribution kicks off county history book project

More than 5,000 informative brochures were distributed this week in Harrison County Historical Societys opening gambit to publish a comprehensive history of county families, the first such production in over 50 years. The brochures were distributed in the Sept. 26 issue of *The Cynthiana Democrat* and at several businesses county-wide. The primary thrust of the bro-

chure, according to book chairman Marilynn Bell, is to encourage present and former residents of the county to submit family histories and photographs for publication in the forthcoming book. There will be no charge for histories that do no exceed 500 words. One photograph may also be included. Anyone who did not receive a brochure is encouraged to contact

the Harrison County Historical Society at 859-234-2749. The members of the book committee are listed in the brochure and will aid in collection and preparation of family histories as needed. The deadline for submitting family histories is Nov. 23.

Greenlees celebrate 50th anniversary

Norman and Sharon Greenlee celebrated their 50th wedding anniversary with a trip to Alaska. They were married on Aug. 18 in Maysville, Ky. They have two children, Col. N, Thomas Greenlee, Pearl Harbor, Hawaii and Dawn E. Harvey, Cynthiana; seven grandchildren and three great-grandchildren.

Births

Myleigh Lynn Ross

Myleigh Lynn Ross was born to Megan and Michael Ross of Cynthiana on Sept. 4, 2013 at Harrison Memorial Hospital. She weighed 6 lbs. 13 oz., and is welcomed by her brother Rylan Ross. Maternal grandparents are Ershia and Rick Johnson of Cynthiana. Paternal grandparents are Debbie and David Ross of Cynthiana; paternal great-grandparents are Fannie Mae and B.W. Northcutt and the late Virginia and Jack Ross.

Lexi Grace Waechtler

Lexi Grace Waechtler was born to Kasey Moore and Brandon Waechtler of Cynthiana on Aug. 11, 2013 at Harrison Memorial Hospital. She weighed 6 lbs. 13 oz., and is welcomed by her sister, Lily Paige Waechtler. Maternal grandparents are Butch and Freida Moore of Cynthiana; maternal great-grandparents are the late Grace and Newt Harding of Cynthiana, Richard Hardin of Cynthiana and the late Aline Hardin. Paternal grandparents are Jackie Gregg of Falmouth and the late Troy Gregg and Loren Waechtler of Modesto, Calif.; paternal great-grandparents are the late Jennifer Jensen of Falmouth and Janice Waechtler of Modesto.

By BENITA PEOPLES, Co. EXT. AGENT

As fall begins, you may think using sunscreen is not as important as it was during the summer months. However, it is important to continue to protect your skin all year long. By protecting your skin, you may be able to slow the signs of aging. The one thing that we cannot fight is the natural aging process. Over time, skin changes – it may become thinner or drier. Here are some simple lifestyle changes you can make to slow the signs of aging: Wear sunscreen. It is important to wear sun protection on skin that is not covered by clothing every day. The time of the year – fall, winter, spring or summer – does not matter. You should also wear sunscreen when going outside to run errands or other activities and not just when lying in the sun at the beach or pool. Use self-tanner rather than lying in the sun or tanning booth. Did you know that by tanning you are prematurely aging your skin? This includes tanning by the sun or

using a tanning bed or other types of tanning equipment. Stop smoking. If you smoke, your skin is likely to age faster than a person who does not smoke. Eat a healthy diet. What does eating have to do with skin and aging? Studies are starting to show that eating lots of fruits and vegetables may prevent some premature skin aging. If you drink alcohol, drink less. Drinking alcohol can dry out the skin and over time cause skin damage. Exercise more. There are many health benefits to exercise, but did you know that there are also benefits to the skin? Studies show that exercise boosts the blood flow in your body, which may give the skin a more youthful look. Wash your face every day, but be gentle. Washing your face every day helps to clear the skin of sweat, dirt and other things that have gathered on the skin throughout the day. But if you scrub too hard, you may damage the skin

on your face. Remember to use a facial moisturizer every day. Moisturizers help seal water under the skin, which in turn may help keep your face looking younger. There are even facial moisturizers for men which often do not have a strong fragrance to them. If you put something on your skin and it stings or burns, you should remove it. If you buy a product from a store and it burns or stings when applied to your skin, that usually means that your

skin is irritated by it. There are products that a healthcare provider may ask you to use that may burn or sting. If this is the case, you should talk to your healthcare provider about whether or not that should be happening. Prescription anti-aging products may also bother the skin and sting or burn. No matter what time of the year it is, you should be kind to your skin. You can take steps to prevent early aging by following some of the suggestions above.

Reunions

COURTNEY

The descendants of James John and Will Courtney will hold their annual reunion on Saturday, Oct. 5 at the Pleasant Green Church fellowship hall. Will again have a white elephant sale. All you need to bring is a gift, family, friends and food. The potluck meal will begin at noon. Any questions call 859-234-1903, 234-1870 or 234-9486.

FOOKS/FRENCH

The Fooks/French reunion will be held Saturday, Sept. 28 at the Claysville Christian Church shelter. Lunch will be served at 12:30 p.m. Meat, utensils, plates, cups and napkins will be furnished. Bring a covered dish, drinks, lawn chair and new and old photos. For more information call Patti Dixon at 234-9397.

WOOSLEY

A reunion/potluck for descendants of George Woosley and Susan "Susie" Powell will be held on Oct. 13 at 1:30 p.m. at the Carlisle Depot, 101 Market St., Carlisle, Ky. This event is open to family, friends and geanology researchers. Setups and drinks will be provided. The depot will be open around 12:30 p.m. should you want to come early and view, update, or add information or pictures to the database. Please bring your favorite dish. RSVP, text or to obtain additional information call Becky Woosley at 859-749-7398.

WHALEN-HARPER

The Whalen-Harper reunion will be held Sept. 29 at the 4-H grounds. Plates, eating utensils and drinking glasses will be furnished. Bring a covered dish of your choice and will eat at 1 p.m. See REUNIONS page 11

BERRY HOMEMAKERS. Berry Homemakers met at the Harrison County Extension office for the September meeting. There were 14 members present. Patsy Switzer served as hostess. Members attending were: front row, from left, Betty King, Dottie Nichols, Katherine Price, Wanda Jones, Jo Ella Cope, Julie Bates; back row, Geneva Roark, Mary Jo Fox, Betty Hannah, Marsha Pulliam, Ruth Thompson, Donna Yeager, Carol Cole, and Patsy Switzer. Absent were Virilene Bishop, Janie Whitehead and Cindy Withers.

Way Back When

10 YEARS AGO . . .

Births announced this week are: Destiny Makayla Yarnell, Sept. 9, daughter of Jesse and Julie Yarnell. When the Cynthiana city and county governments agreed to purchase the handy farm property on U.S. 62 E for a new recreation park, the idea was for a long-term project. Water and sewage are needed. Coming soon to the Cynthiana Democrat, Kentucky Classified Network. A better way to use the classified, reaching over 450,000 readers with one phone call.

25 YEARS AGO . . .

Births announced this week are: Sarah MacKenzie Brown, Sept. 23, daughter of Lt. Rodney and Lyda Brown; Christopher Neal Taylor, Sept. 24, son of Tracy and Carrie Taylor; Kateland Nicole Cooper Jones, Sept. 21, daughter of Ronald Ray Jones and Bernadine Elaine Cooper-Jones. Local businesses receiving awards are: Grede Perm Cast is among Emerson's Vendors of the Year award; Cynthiana 3M receives Fortune's product award; and Dollar General receives an award for war on illiteracy.

50 YEARS AGO . . .

Births announced this week are: Larry Wayne Caswell, Sept. 12, son of Mr. and Mrs. Jerry Caswell; Jeffrey Allen Williams, Sept. 13, son of Mr. and Mrs. Lester Williams Jr.; Delon Henson, Sept. 13, son of Mr. and Mrs. Ance Duke Henson; Dorsey Alan Wiggins, Sept. 12, son of Mr. and Mrs. Sammy Wiggins; Todd Travis Insko, Sept. 10, son of Mr. and Mrs. Phillip Clay Insko; Charles Foley Watson, Sept. 12, son of Pfc. and Mrs. Charles Conner Watson; Donna Lynn

Moses, Sept. 12, daughter of Mr. and Mrs. Donald Lee Moses; Barbara Ann Fuller, Sept. 16, daughter of Mr. and Mrs. Charles Woodrow Fuller; Jeffery Lane North, Sept. 14, son of Sp.4 and Mrs. Billy Earl North; Roger Clay Berry, Sept. 15, son of Mr. and Mrs. Albert Elwood Berry; Karla Lane Malone, Sept. 12, daughter of Mr. and Mrs. Edgar Malone; Paul Britt Fryman, Sept. 15, son of Mr. and Mrs. Jimmie N. Fryman; Mary Cathryn Carr, Sept. 11, daughter of Mr. and Mrs. Martin Carr; Steven Joseph Sweeney, Sept. 21, son of Mr. and Mrs. J. Patrick Sweeney; Barbara Ann Ledford, Sept. 15, daughter of Mr. and Mrs. Ray Ledford; Bobby Gene Frederick, Sept. 23, son of Mr. and Mrs. Tony Wrayburn Frederick; William Cecil Smith, Sept. 18, son of Mr. and Mrs. William Carr Smith; Richard Lawrence Shepperd, Sept. 18, son of Mr. and Mrs. James Shepperd; Edward Lee Jennings, Sept. 20, son of Mr. and Mrs. Carl Taylor Jennings; Steven Crawford Judy, Sept. 3, son of Mr. and Mrs. Larry Judy; a daughter was born Sept. 23 to Mr. and Mrs. Gilbert Crump; Debora Sue Ramsey, Sept. 10, daughter of Mr. and Mrs. Charles Ramsey. Cynthiana's workable program for community improvement has been approved by the Federal Housing and Home Financing Agency. The approval means Cynthiana Municipal Housing Commission can proceed with planning for the additional 100 public housing units. Cynthiana's 100 new housing units will include 36 designed for the elderly and 64 regular units with a varying number of bedrooms.

Flood control dam advances. Workmen are installing a 30 inch drop inlet at the Snake Flood Control Project near Kelat in Harrison County. A large part of the 18" conduit which will carry water from the big pond under the dam is already completed. Construction of the earth fill dam is expected to start soon.

A new catch basin and 18 inch metal conduit is being installed to handle storm water which has damaged sidewalk and curb on Pike Street near the Harrison Memorial Hospital. The city will add a flume to carry water from the new drain to the creek in the valley. Sam Arnold III and Dolly McKenzie ride a gasoline powered unit used to carry workers through tobacco rows while they prime the tobacco by taking the lower leaves from the plants. They say priming adds to the farmers' income and makes handling of plants easier. Clarence Horn opens new real estate office in the Currans Building (opposite Kawneer) on West Pleasant Street. The new office will be known as Horn's Insurance and Real Estate. The Cynthiana-Harrison County area may soon get its first major shopping center. A Cincinnati realty firm is completing purchase of a six acre tract just south of Cynthiana for long-term leases in the proposed modern development. The shopping center is being designed to serve the more than 35,000 residents in Cynthiana, Harrison County and surrounding counties. Water plant plans ready soon, sewer improvement included. The project calls for a water filtration plant capable of producing 3,000,000 gallons of water everyday. Plans also call for a number of improvements to the existing sewer system designed largely to relieve pressures caused by growth of the city and an extension to the general area of the new water plant. Estimated cost of the project is \$899,000. A daily plate lunch special is offered at Pine Villa Restaurant for \$1 which includes a meat, two vegetables, hot rolls or corn sticks and drink. Pine Villa is located one mile north of Cynthiana on U.S. 27.

School board approves support funding for high school AP program

By JOSH SHEPHERD, News Writer

The Harrison County School Board approved a request for \$10,000 in support funding for the high school advanced placement program to replace losses that came as a result of the expiration of 3-year AP grant.

High School Principal Amy Coleman, representing the Harrison County High School Advanced Placement Program, said that for the past three years, the AP program has flourished with the assistance of an AdvanceKy AP grant.

The grant, she explained, helped AP teachers to change the program in a way that has encouraged more students to challenge themselves academically. A significant change to the curriculum was to remove barriers that may have discouraged students from even trying to enroll in AP classes.

These and other innovations have made a positive impact on the numbers of students enrolling in AP classes, Coleman said.

Three years ago, there was an estimated 60 students in the high school

AP program, she said. This year average total enrollment for these classes are up. Teachers are working with over 400 enrolled students.

“There are students taking multiple AP classes. Those are figured into our results. But there are clearly more students enrolled in advanced placement classes than ever before,” Coleman reported.

In addition to discovering new ways to increase enrollment in AP classes, the grant also paid for students to attend special Saturday academic study programs nine times a year in a partnership between Scott and Harrison Counties.

The grant covered the entire cost of transportation and food for students participating in these sessions. And attendance for these study sessions was very good.

According to high school science teacher Robert McCann, approximately 68-75 percent of the students enrolled in the AP classes attended all of the Saturday sessions.

The teachers who participated in the extra ses-

sions did it voluntarily, Coleman added.

The grant also paid half of the AP exam fee for students.

Unfortunately, the AdvanceKY grant was only available for three years. But the impact that the grant has made has resulted in improved test scores, including measurable improvements on ACT scores for college admission.

In order to continue, the high school is applying for a grant from Toyota to help support the AP program.

However, Coleman requested that the board also help maintain the momentum of this program by contributing \$18,000. That money would go toward covering the cost of the Saturday sessions this academic year, Coleman said, and pay for half the cost of the AP exams for students.

Superintendent Andy Dotson informed the school board that he and Coleman had talked about her request earlier. The impact that the AP program has made on students in the last three years is undeniable, he

said, and he is in full support of the school system doing what it can to sustain the program.

However, at this point, the budget won't support an award of the entire \$18,000 in Coleman's request. Dotson said that the school system could handle \$10,000 and suggested the board approve that amount. It would go first toward covering the costs of the Saturday class program, he said.

“If there is money left over, the high school can decide how they want to use it in support of the AP program,” Dotson said.

Board member Mary Jane Brunker suggested that the school system keep an eye on the budget for other opportunities to channel money to support Coleman's entire request as the year goes on.

However, the board took the superintendent's advice and approved \$10,000 of financial support for the AP program.

In other business, the school board:

- Approved the high school senior trip to New York City from April 6 -

10. The trip will be during spring break. Students will be hosting fundraisers to help finance the trip. Of the senior class, about 100 students showed an interest in going on the senior trip this year. The price per student is estimated at \$750 for a four day, three night tour of The Big Apple.

- Approved the school district's working budget as presented by Julie Asher

- Approved a request from teacher Tonya Wagoner to apply for two grants that would work together to enhance French language instruction at Harrison County Schools. The “Teaching Art Together” grant, if awarded, will fund an artist-in-residence for a week. The other grant, a World Language Grant, would help fund an integrated French language program in the elementary schools. The target school for the initial program is Eastside Elementary.

- The board heard a construction update on the high school and new fieldhouse from David Case and John Gilbert. The date for project com-

pletion is estimated for around the holidays.

- Approved several dozen fundraiser requests for the high school and middle school.

- Approved the competition trips for the high school speech team.

- Approved the following athletic booster programs to operate: Baseball Boosters, Parents for Pep, Boys Soccer Boosters, Volleyball Boosters. All four groups have complied with new Redbook requirements, Asher said. Asher also reported that she had received financial reports from the Fillies Basketball Boosters, Cross Country Boosters, Fillies Softball Boosters, and Wrestling Boosters.

- Approved Harrison County's membership in the Central Kentucky Educational Cooperative for 2013-14.

- The next meeting of the Harrison County School Board will be on Tuesday, Oct. 29th. The board changed the date because the regularly scheduled meeting would conflict with the school's Fall Break.

- Fall break is scheduled for Oct. 14-18.

Church News

CONNERSVILLE CHRISTIAN

Connerville Christian Church Band will be performing Sunday, Sept. 29 from 6-7 p.m. at the church. Homemade ice cream and cake will be served afterwards. Everyone is invited to come and fellowship.

Connerville Christian Church is located at 2190 Ky. Hwy. 1842 E., 859-234-1040.

2013 Safety Day Program

Photos by Josh Shepherd

Harrison County Fourth Graders took a field trip to the Harrison County fairgrounds for Safety Day. They were given information on germ safety, tractor safety, four-wheeler safety, and fire safety. Representatives from the several civil service professionals and volunteers provided information. They got a special treat watching a car rescue and helicopter airlift. LEFT - Kentucky Fish and Wildlife representative talked to kids about proper gun safety. RIGHT - children learn 4-wheeler safety. ABOVE - Harrison County Volunteer Firefighters demonstrates the use of "Jaws of Life."

Reunions

From REUNIONS page 8 CLASS OF 1993

The Harrison County High School Class of 1993 is having its 20th reunion on Oct. 5 beginning at 6:30 p.m. with dinner and dancing at The Hilton Garden Inn.

Contact Renee Asbury Roland at 859-621-4812 or reneeroland@insightbb.com or Brian Furnish at 859-298-0465 for ticket information.

HCHS CLASS OF 1964

The Harrison County High School Class of 1964 will be having their annual informal reunion at Biancke Station on Saturday, Oct. 19. Dinner (each orders from the menu and picks up his/her own tab) will begin at 5 p.m. and there will be a social time around 6:30 in the same area. Feel

free to attend the dinner and/or the social time. We really want to see you at both, but if your schedule won't allow you to do so, you can choose to attend either the dinner or the social time.

Because of the recent fire at Biancke's, we must have a guesstimate of those coming for dinner by Sept. 10. Contact Phyllis Wyles or Bonnie Teater if you plan to attend.

MULLIGAN

The 16th annual Mulligan reunion was held Saturday, Sept. 7 at the Harrison County fairgrounds with 38 members present. There were two new members to this year's reunion, Rex and Dora Gordon. The tables were decorated in blue and gold with photo placemats of the 1913 Model T Ford, which was on display at the reunion.

James Mulligan, Cincinnati, gave the blessing of the food. The luncheon was a success with ham, meatloaf, turkey, fried chicken, large

variety of vegetable dishes and lots of desserts.

Gladys Sowder was acting secretary with the minutes. After lunch Shirley Mulligan Swartz gave the genealogy of Samuel Mulligan, son of John and Savannah Wolf Mulligan. Reported were the deaths of two family members, Johnny Kenneth Townsend and Orville Jones Jr.

An auction was held to help with costs of the reunion. Janet Arnold was bookkeeper for the auction. Members also voted to donate \$50 to the Robinson Cemetery for upkeep.

Guests and family members were: BJ, Casey and Lizzie Miller from Shandon, Ohio with their 100 year old, 1913 Model T Ford. They were dressed in vintage clothes of 1913, presented a slide show about the model "T", then it was time for rides and photo taking. Everyone seemed to love the old car and especially the horn.

There were 115 Mulligan newsletters sent out. We would like to see more family in attendance. Mark your calendar for next year, Sept. 6, 2014.

Door prizes were given out closing the 2013 Mulligan reunion.

Academia

SANDERS

The Western Kentucky University forensics team kicked off its competitive season by co-hosting the Forensics Fiesta with Miami University on WKU's campus the weekend of Sept. 20-22.

Jackson Sanders, a freshman from Cynthiana, finished fifth in dramatic interpretation and sixth in after-dinner speaking at the WKU tournament.

The event offered competition in debate and individual events over three days, and hosted 17 schools, including the University of Alabama, the University of Kentucky, the University of Mississippi, and Illinois State University. WKU students competed in the tournament, but as co-host the team was not eligible for overall team sweepstakes awards.

SEN. JEFF GREEN SCHOLARS

Five 2013 graduates of Harrison County High School have been named Senator Jeff Green Scholars by the Kentucky Higher Education Assistance Authority (KHEAA) for outstanding academic performance in high school. Students earn this designation by achieving a 4.0 grade point average each year of high school and scoring at least a 28 composite on the ACT.

Local students who earned this prestigious designation are Kyle Bozynski, Michael Fryman, Jordan Humphries, Peyton Moore and Jackson Sanders.

These students have also earned \$2,500 a year in Kentucky Educational Excellence Scholarship (KEES) awards. Their awards may be renewed each year of college if they continue to earn high grades, making the total value of their KEES worth \$10,000.

The title honors the late state Sen. Jeff Green of Mayfield, who served in the Kentucky General Assembly from 1992 to 1997.

KEES and other Kentucky student aid programs are administered by KHEAA. KEES awards are funded by net Kentucky lottery proceeds and may be used at most colleges and universities in Kentucky. In some cases, the award may be used at out-of-state schools if the major the student is pursuing is not available in Kentucky. No application is necessary for KEES awards, and students may access their KEES account information on www.kheaa.com by setting up a MyKHEAA account.

To learn how to plan and prepare for higher education, go to www.gotocollege.ky.gov. For more information about Kentucky scholarships and grants, visit www.kheaa.com; write KHEAA, P.O. Box 798, Frankfort, KY 40602; or call 800-928-8926, ext. 6-7372

MCTC/LVC MIDTERM CLASSES

Midterm classes begin Oct. 21 at the college on the hill, MCTC/Licking Valley Campus. A wide variety of subjects are being offered at midterm.

Some of the classes include: Fundamentals of Machine Tools, Shielded Metal Arc Welding,

Fitness, Introduction to Business, Introduction to Information Systems, Improved College Reading, Reading for the College Classroom, Introduction to Comparative Religion and History of Kentucky.

This is a great time to start work or return to class work to fulfill college goals.

To register for midterm classes, first, fill out an application.

Second, request your high school transcripts or GED and your college transcripts.

Third, complete your financial aid form online at www.fafsa.ed.gov.

Fourth, schedule an appointment for the COMPASS placement test if your ACT scores are below 20 in Reading, 18 in English or 19 in Math.

Fifth, meet with your advisor. Finally, register for classes.

"Don't forget if any of the registering process is confusing, we are here, and we want to help you make the steps as easy as possible. Just ask," said Bruce Florence, director of the Licking Valley Campus.

For more information on midterm classes, call 859-234-8626 or stop by the Licking Valley Campus today.

Sports

Bourbon County runs past Breds 64-21 Friday night

Photo courtesy of Donald Richie/Richie Photography

Jordan Kenney gets some yardage for the Thorobreds Friday night against Bourbon County.

By MIKE ALDRIDGE, SPORTS WRITER

“We just could not tackle them,” said Harrison County High school football coach Jim Carr. “They just ran through our tackles, which made for a long night.”

For the third opponent in a row, the Harrison County Thorobreds’ defense could not keep the other team from scoring on a consistent basis as the Bourbon County Colonels rushed for 253 yards and five touchdowns and threw for three more in a 64-21 rout of the Thorobreds.

Bourbon County’s quarterback, Dalton Pope, ran for three touchdowns and threw for three others as the Thorobreds were no match for the powerhouse Bourbon County offense.

The homecoming night game started poorly for Harrison County as the Colonels scored on the second play from scrimmage on a 42-yard run by Brent Holman.

Dakota Tipton added the first of his six extra-point kicks and, with only 30 seconds gone, it was 7-0 in favor of the Colonels.

On its first possession, Harrison County was three and out but Taylor Bolin’s punt put the home squad in poor field position as the kick rolled to the Colonel’s own 17-yard line.

The Thorobreds’ defense stiffened here causing a fourth and two yards to go situation but Bourbon County’s Pope ran for 15 and the Colonels really never looked back after that.

Holman ran 58 yards to the Breds five and two plays later Pope ran it in to make the score 13-0 after the failed extra point.

Harrison County then took the ball on an excellent 14-play, 70-yard drive, which ended with quarterback Robbie Stroub scoring on a seven-yard run.

Bolin made the point after and the Breds trailed 13-7 as the second quarter began.

The second quarter was a disaster for Harrison County as the Bourbon County team scored the next five times that they touched the ball to lead 50-7 at the half.

In the second quarter, Pope threw for two touchdowns and ran for two others as the Harrison County defense could not tackle the strap-ping, strong quarterback.

The continuous clock began for the remainder of the ball game with 2:13 left in the first half so the second half went by rather quickly.

Harrison County started a long 12-play drive which ate up nine minutes before Bourbon County intercepted a Stroub pass and ran it back for a touchdown.

That was the only scoring in the third period so the fourth stanza opened with Harrison County trailing 57-7.

Zach Royce scored from one yard out with only a minute gone in the fourth period which culminated a five-play, 80-yard drive by Harrison County.

The Colonels with their starters still in the game leading 57-14 scored again on a Pope to Jaxson Highlander 80-yard pass play to make the score 64-14 with eight minutes still to play.

Harrison County mounted another sustained drive for the final score as they went 80 yards in nine plays with Zack Mastin scoring on a five-yard run. Bolin’s point after made the final 64-21 score.

The Thorobreds gained a total of 368 yards for the night with 223 on the ground and 145 through the air. Stroub was 12 of 28 for the 145 yards.

Royce was the leading receiver for the game for

Thorobreds golfers finish season with wins over Paris, Nicholas County

The Harrison County Thorobreds golf team finished its regular season with wins over Paris in Cynthiana and Nicholas County at Carnico.

On Thursday the golfers played host to Paris at the Cynthiana Country Club. This afternoon belonged to the Thorobreds as they won a 37-stroke victory over the Greyhounds.

Myles Davis led the way with 41 followed by Sam Levi (42), Jake Jones (43), and Peyton Browning (43). Other Thorobreds playing but not counting in the team score were Reese Asher (47), Will Hicks (48), Ryan Tobin (63), Anthony Vascotto (70) and Noah Gifford (72). The final team score was Harrison County 169 Paris 206.

On Monday afternoon the Thorobreds bused their way to Carnico to battle the Nicholas County team. This was a much closer match with Harrison County pulling out a 172 to 177 win.

Hicks was the leading scorer for Harrison County as he shot an outstanding 39 for the nine holes. Jones came in with a 42 followed by Levi and Stephen Lemons who each shot 43. Asher (44) and Davis (47) also played for the Breds.

The regional tournament starts this Monday for the boys at A.J. Jolly in Campbell County. The Fillies will follow the next day with their region playing at the Winchester Country Club.

Will Hicks makes the short chip last week as the Breds golf team welcomed Paris High to Cynthiana Country Club.

Fillies wallop Wolverines 4-0, lose Monday at Campbell County

By MIKE ALDRIDGE, SPORTS WRITER

Using a prolific corner kick offense, the Harrison County Fillies defeated the Western Hills Lady Wolverines 4-0 Wednesday night in the Athletic Complex.

It was a dual win for the Fillies as the junior varsity began the night with a 1-0 win over Western Hills as Lexie Fryman scored with 9:04 left in the first half and the defense led by keeper Olivia Partin held off the junior varsity Lady Wolverines.

In the varsity contest, the night’s scoring began when Amelia Bolin weaved her way past multiple defenders and scored an unassisted goal with 17:15 remaining in the first half.

The match was very physical, which resulted in the Fillies losing Raejean Hurst when the junior fullback collided with a Lady Wolverine causing a knee injury. Hurst is expected to be ready for the next match, however.

The second half saw unusual scoring for the Fillies as they

converted three corner kicks for scores.

The Harrison County girls made three of the seven corner kicks for the night which is a very rare scoring feat.

First, with 27:03 left in the match, Bolin picked up her second goal off an assist from Taylor Fry’s corner kick.

Fry then scored two unassisted kicks from the corner, the first with 12:57 to play and the last with only 1:07 left on the clock.

While the offense was scoring the defense, led by goal keeper Chelsea Ingram and the booming defensive kicks of sophomore fullback Kayla Ford, was holding off the Lady Wolves’ offensive attempts.

“We came out a little flat,” noted Coach Kim Jenkins. “But in the second half we played much better on the defensive end and passed the ball nicely on the offense.”

Monday evening the Fillies faced one of the top 25 teams in the state as they visited Campbell County to face the Lady Camels.

The 11-1-1 Lady Camels squad generated enough offense to ease by the Fillies 2-0 in this hard-fought contest.

“Although we did not score we did manufacture some offense in this match,” noted Jenkins. “We improved over last year a great deal and hopefully will continue to improve through the end of this season. We could meet Campbell County again in the region.”

The loss left the Fillies with a 7-3-1 record with another match coming up with one of the state’s best teams.

The ambitious Harrison County squad travels to Richmond on Thursday to face Madison Central who is 11-1-1 for the season.

The one tie was with George Rogers Clark, a team that the Fillies also tied 2-2.

On Monday the Fillies visit district rival Pendleton County (10-4) in Falmouth before returning to the Hilltop on Oct. 2 for the final regular season home game of the year against Frankfort.

Breds return to form with 1-0 win at Sayre, lose tough match to Scott County 2-1

By MIKE ALDRIDGE, SPORTS WRITER

After the loss in Winchester on Tuesday, Sept. 17, traveling to Sayre on Thursday was not considered to be a good thing since the Spartans owned a win over George Rogers Clark in a match that was played only a week or so before.

However, Coach Nick Hill was able to inspire his players with the prospect and the Thorobreds grabbed a 1-0 win in Lexington.

This match was played earlier in the evening than most and with no junior varsity since the Sayre facility is without lights.

The early start seemed to favor the Thorobreds as, after the period where each team weighs the difficulty of the opposition, Harrison County began taking the momentum. The visiting Breds were getting some good possessions and looks at the goal on a regular basis.

The first of what was to be the only goal of the night came with about 10 minutes left in the first half when Noah Mitchell dribbled into traffic and attempted a shot on goal. Mitchell’s attempt was repelled but came back right at the feet of Grant Carr who drilled the ball past the Spartan keeper for the goal.

The second half saw the Thorobreds continue to dominate play but their shots bounced off the goal and missed the goal some due to the skill of the goal keeper and also the other Spartan defenders.

“We would certainly have liked to score a few more goals because we did have some very good looks but this was a quality team and we were also happy to win the match,” noted Coach Hill. “This match gives us a measuring stick as to how we have to play the rest of the season in order to be successful.

Christian did a nice job at goal keeper and our defenders basically snuffed out Sayre’s attempts.”

The loss left the Spartans at 6-4 for the season while the Breds improved to 8-3.

On Tuesday night, 11th region powerhouse Scott County came to the Athletic Complex to do battle with the Breds.

This is a fierce rivalry as many of the players play together and against each other in club soccer.

The match got off to a poor start as the Cardinals scored a goal inside one minute of playing time.

But the Thorobreds showed some maturity as, instead of ducking their heads, they battled back and scored a goal with 30-plus minutes still to play in the half.

Devon Barton headed the ball over the outstretched arms of a defender right to Logan Wiley breaking toward the goal.

Wiley dribbled past the

defender, who he caught back on his heels, and placed the ball into the side net for a 1-1 tie.

The two sides played aggressive soccer trading scoring attempts for the rest of the half but the score remained tied at one goal each as the two teams reached the half-time break.

The second half began with a lot of intensity and physical play some of which Harrison County received the short end of as far as getting some calls.

One particular incident saw Wiley have to leave the game after being blind sided from behind with no penalty called.

Ironically it was a penalty kick that gave Scott County the goal that brought them the victory.

They received the penalty kick with about 20 minutes left in the match and sailed it past the Harrison

MIKE'S MINUTE

Baseball is wrapping up regular season

For those of us who are Major League Baseball fans this is the most exciting time of the year. Pennant races are into the last week and this year we have both American and National League wild cards going down to the wire.

The division winners are almost all secured with four of the six divisions locked up and the other two nearly won as well.

The two Central divisions are still up for grabs with Detroit and St. Louis holding an edge going into the last week.

The Cardinals are only two games up while the Tigers are five with six left to play so it would take a collapse of epic proportion for the lead to change in either division.

The wild cards are another matter although the National League's is basically for home field advantage.

Mike Aldridge
Sports Writer

This is one of the races which the two teams involved will decide without much help from any others as the Reds and Pirates end the season with three games at Great American Ballpark.

The Pirates being the least experienced of the three teams who are likely to qualify from the central division probably will not be able to secure home field for the one game playoff but nothing is set in stone right now.

The American League has much more drama in the wild card picture because there

are six teams still mathematically in the race for the two wildcard spots.

Beginning the week Tampa Bay and Cleveland are the two teams in with the Rangers, Royals, Yankees and Orioles still in the running.

The Yankees and Orioles are the least likely as they are four and four and one half games back with six to play so either the Rays or Indians would have to go on a losing streak of major proportion for either of them to qualify.

Tampa Bay plays both Baltimore and New York this week so both of those teams have a shot at helping themselves.

The Yankees play the Rays in New York on Tuesday, Wednesday and Thursday so they will either be in the thick of it or out of it by Wednesday.

The Indians and Royals are playing teams who are hope-

lessly out of it so they may have an edge.

The Yankees, if they miss the playoffs, will be out of the running for only the second time in the last 19 years.

Sentimental favorites have to be Kansas City, Cleveland and Baltimore since they are small market teams who usually do not go out and spend big money like the Yankees and Texas have been doing for the past several years.

I would like to see Pittsburgh finish second to the Cardinals because that would give them the home field for the one game playoff with the Reds. As a Cardinal fan I would much rather play the Pirates down the road in the playoffs than the Reds.

In the America League, just because of the small budgets, I would like to see the Indians and Royals make it into the playoffs.

Only time will tell.

Ben VanHook keeps the ball for the eighth grade Colts last Thursday as the team welcomed Conkright Middle School to Ingles Stadium.

Soccer

From SOCCER page 12

County defense and the goal keeper Christian Carey for the decisive goal.

The game proceeded with both teams having other attempts on goal but in the end that goal was the last scored.

"We should have had a tie at the very least,"

lamented Hill. "It was a very tough loss. Scott County is a good team and is playing very well but we are just as talented. We made some mistakes with people playing out of position tonight."

The loss left the Thorobreds with an 8-4 record and the win makes Scott County 8-2.

The Harrison County schedule doesn't get any easier as the Breds next host Newport Central Catholic (8-3-1) on Thursday in the Athletic Complex.

Monday night they drive east to Montgomery County for a battle with the rival Indians (7-6-1). The final three matches on the

Thorobreds' schedule are away at Grant County (9-3-1), home with John Hardin (11-2-1) and finally a road trip to Frankfort to play Franklin County (4-8)

"This was a tough, physical test tonight which I hope will prepare us for the end of the schedule," concluded Hill.

Breds

From BREDS page 12

Harrison County with 81 yards on six catches.

Mastin was the leading ground gainer for the Breds with 116 yards on 13 carries. Justin Hunter left the game early in the third quarter with an injury after he had picked up 70 yards on the ground in 17 attempts.

The loss gives the Thorobreds a 2-3 record for the season while Bourbon County is undefeated at 4-0.

The Thorobreds will travel to the far south of the state Friday night as they visit Williamsburg to take on the 2-2 Yellowjackets.

Fillies sweep volleyball matches with Grant County and GRC

By MIKE ALDRIDGE, SPORTS WRITER

The Harrison County Fillies volleyball team won two matches this week with straight set wins over Grant County Monday and George Rogers Clark Tuesday night.

Monday night the Fillies played as well as they have in a while, according to Coach Bill Faulkner.

“We played with more confidence and with more focus than we had for a while,” said the veteran coach.

The Fillies won the straight set win 25-17, 25-12 and 27-25. Grant County had difficulty compensating for the aggressive play from the middle by Mallory Hunter and the setting of Casey Wallace in the Monday night match.

The Harrison County junior varsity also defeated the Grant County junior varsity 2 sets to 1.

Grant County falls to 8-10 with the loss.

Tuesday night the play of senior Jordan Doram was the big difference in the match as the Fillies toppled George Rogers Clark in straight sets.

Doram’s spiking and blocking kept the Lady Card’s on their heels most of the evening as they struggled to return many shots.

Libero SaraBeth Sowder also had a nice game on the

defensive side of play.

“Clark’s coach and I agreed after the game that Jordan’s play made the difference tonight,” said Faulkner. “She just hit so many shots that could not be returned.”

The Harrison County junior varsity lost in straight sets 15-21, 17-21 to their Lady Card counterparts.

George Rogers Clark drops to 6-10 with the defeat while the Fillies improve their season mark to 12-5.

Thursday night Villa Madonna (8-5) will visit the Hilltop for volleyball action. The Blue Lightning are on a three-game winning streak and have been a thorn as of late in the Fillies side.

The two have played one common opponent both defeating Grant County in straight sets.

This weekend Harrison County travels to Montgomery County for the Dink Scott Invitational. The 12-team tournament has three groups of four teams competing in a round-robin-type format. Harrison County is in a group with Mason County (5-7), Madison Southern (8-9), and Pike County Central (2-14). This group will play in the old gymnasium or “the Barn” at Montgomery County High School.

Senior Jordan Doram fires the ball back to Grant County Monday as the Fillies notched a 3-0 win over the Lady Braves.

HCMS harriers compete in Frankfort meet

By MIKE ALDRIDGE, SPORTS WRITER

The Harrison County Middle School Cross Country team traveled to Frankfort on Wednesday last week and participated in the Frankfort Middle School’s All Comers Meet.

The nine-team boys’ and seven-team for girls’ meet featured middle schools from Frankfort, Lexington, Lawrenceburg and Versailles as well as the Harrison County team.

The girls’ team saw Sierra Ecklar, once again, finish near the front as she was 11th of the 90 runners in the 1500M run.

Ecklar was less than one minute behind the winner from Elkhorn Middle with a time of 6:45. Mackenzie Mosig also finished very well

as she was 34th in 7:26.

Other middle school girls who ran were Starr Hindbaugh (70th), Cameron Cooper (71st), Courtney Shrout (73rd), Miracle Switzer (75th), Katie Wood (80th), Katie Stanich (81st), Justice Petty (82nd) and Delaney Petty (88th).

The middle school boys were led by Daniel Craig who finished 11th of the 104 boys that competed.

Craig’s time of 6:04 was also less than one minute behind the winner who, like the girls’ winner, was from Elkhorn Middle.

Thomas and Jacob

Morris also were in the top half of the runners as they finished 42nd and 46th in the race.

Other middle school boys competing were Chris O’Neal (54th), Michael Jones (59th), and Christopher Shrout (60th).

Team scores were identical for the boys’ and girls’ as they each finished seventh. Elkhorn ran away with the girls’

team championship easily outdistancing second place Christ the King.

The boys’ team score had Christ the King winning with Bondurant second followed by Elkhorn.

The Harrison County High School squad’s next contest is this Saturday when they travel to Berea for the Berea Invitational.

HELP WANTED

Performance Pipe, a Division of Chevron Phillips Chemical Company LP, Williamstown Plant, is currently accepting applications for plant production operators.

Performance Pipe is the largest manufacturer of Polyethylene piping products in North America and looking for employees to help maintain the company's reputation for the highest standards of safety and quality in the industry. These positions require a minimum of at least one year of previous work experience in a manufacturing environment and a High School Diploma or GED. The work involves operating extrusion equipment, forklifts, cranes and high speed packing tools. Successful applicants will be required to learn the use of precision measuring instruments such as micrometers and pi tapes. These positions also require lifting, standing and walking on a concrete floor for 12 hour rotating shifts. The qualified candidate must be dependable and flexible in his/her work duties. Starting rate is \$14.38 up to \$18.46 per hour, depending on experience and we offer a competitive benefits package. The plant normally operates 24 hours a day, 365 days a year.

EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER - M/F/H/V
APPLICANTS MUST APPLY ON LINE AT:

LEGAL NOTICE

The Harrison County Fiscal Court will be accepting bids for the paving of two county roads, Silas & Newtown Pike in Harrison County. Specifications may be obtained at the County Judge's office. Bids will be opened October 8, 2013 at 5:30 p.m. in the Conference Room of the Harrison County Sheriff's Office.

Bids must be in the County Judge's office by Noon, October 8, 2013.

The Court reserves the right to accept or reject any or all bids.

Alex Barnett
Harrison County Judge Executive

REQUEST FOR BIDS**FOR RESIDENTIAL AND SMALL BUSINESS SOLID WASTE COLLECTION AND DISPOSAL SERVICES IN THE CITY LIMITS OF CYNTHIANA, KENTUCKY, A FOURTH CLASS CITY.**

This request for bids is made under Section 17.4-41(1) of the Code of Ordinances of the City of Cynthiana.

Sealed bids will be received by the Cynthiana City Commission at the office of the City Clerk. Address: City of Cynthiana, City Hall, P.O. Box 67, 104 East Pleasant Street, Cynthiana, Kentucky 41031. Bids must be received by 4:00 P.M. on Tuesday, October 8, 2013.

All bids will be publicly opened and read aloud at 5:30 P.M. on Tuesday, October 8, 2013 at the regular Commission Meeting of the Cynthiana City Commission at City Hall. The City Commission will evaluate the bids and supporting information. The City of Cynthiana will notify all bidders within 15 days of the bid opening of what action will be taken.

The area to be served is within the City Limits of Cynthiana, Kentucky consisting of an estimated 2,300 residential and 140 small business units. The successful contractor will have an exclusive right to serve residential units in the service area. The right to serve small businesses is non-exclusive.

Bidders are required to bid on curbside refuse waste collection, transport and disposal at a site approved by the state and curbside recycling services. The term of the contract will be a three year period with an optional 2-year extension. The anticipated schedule for the first day of service is November 4, 2013.

Bids must be made on the bid form provided by the City of Cynthiana in accordance with the instructions to bidders. The contract documents, of which the bid form and instructions are a part, are published by and available through Cynthiana City Hall upon request or by telephone (859)234-7150. No more than (1) copy will be furnished to any one person or firm.

Envelopes containing the bids addressed to Cynthiana City Commission, P.O. Box 67, 104 East Pleasant Street, Cynthiana, Kentucky 41031 must be sealed and must clearly show the name and address of the bidder, the date and time of bid opening, and the statement "Proposal for residential and small business solid waste collection and disposal." Bids may be withdrawn up to 24 hours prior to bid opening.

A bid bond or certified check must accompany the bid in accordance with the instruction to bidders. Said bond will be held as guarantee that in the event the bid is accepted and the contract awarded to the bidder the contract will be duly executed, and it's performance properly secured by the required performance bond. The successful bidder will be required to execute the contract within fifteen (15) days after the award of contract.

In case the bidder neglects to so execute the contract, the bond accompanying the bid shall be forfeited to the City as liquidated damages.

The City reserves the right to reject any or all bids, to waive irregularities and/or informalities in any bid, negotiate bids, and to make an award in any manner, consistent with law, deemed in the best interest of The City of Cynthiana.

SUMMARY OF ORDINANCE NO. 1510

The following is a summary of Ordinance No. 1510 relating to the City of Cynthiana pretreatment program and sewer use ordinance. This summary is prepared in accordance with the provisions of KRS 83A.060(9).

AN ORDINANCE AMENDING ARTICLE III OF CHAPTER 20 OF THE CODE OF ORDINANCES OF THE CITY OF CYNTHIANA RELATING TO USE OF THE MUNICIPAL SANITARY SEWAGE COLLECTION AND TREATMENT SYSTEM, SETTING FORTH POLICY, DEFINITIONS, RULES AND REGULATIONS REGARDING THE USE OF SAID SYSTEM, CONTROLLING PRIVATE WASTEWATER DISPOSAL, GOVERNING THE BUILDING OF SEWERS AND CONNECTIONS, SETTING POLLUTANT DISCHARGE LIMITS, PRETREATMENT PROGRAM ADMINISTRATION, ESTABLISHING THE RIGHT OF THE CITY TO CHARGE FEES FOR ADMINISTERING THE CITY’S REASONABLY NECESSARY FUNCTIONS RELATED TO SEWER USE, AND DELINEATING POWERS AND AUTHORITY OF INSPECTORS AND SETTING FORTH THE METHODS AND PROCEDURES OF ENFORCEMENT OF THE ORDINANCE AND PENALTIES FOR VIOLATION OF SAME AND REPEALING SECTIONS IN CONFLICT THEREWITH.

This Ordinance is known and commonly referred to as the City of Cynthiana sewer use ordinance. It is an ordinance concerning the use of the City of Cynthiana municipal sanitary sewage collection and treatment system. In order to comply with State and Federal regulations, it is necessary from time to time to add and amend certain discharge parameters and limits. The Ordinance sets forth certain policies and procedures, definitions, rules and regulations regarding the use of the City sewer system and controls private wastewater disposal. The Ordinance further governs the building and construction of sewers and sewer connections. The Ordinance sets forth certain pollution discharge limits and provides for pretreatment program administration. The Ordinance further establishes the right of the City of Cynthiana to charge fees for administering the City’s reasonably necessary functions related to the use of the City sewer system and it delineates powers and authority of inspectors reasonably necessary for the enforcement of the Ordinance.

The Ordinance specifically sets forth reporting requirements for industrial users and penalties for non-compliance. KRS 83A.060(9)(c) requires that any Ordinance summary contain the full text of each section of the Ordinance that imposes taxes or fees. Accordingly, the full text of the following sections are attached hereto and are incorporated as a part of this summary and shall be published in full with this summary: Section 20-53, Section 20-71.5, Section 20-72, Section 20-87, Section 20-90, Section 20-108, Section 20-109, Section 20-120, Section 20-125, Section 20-126 and Section 20-127.

A full, true and complete copy of the Sewer Use Ordinance No. 1510 with all amendments being clearly shown is on file and available for public inspection at the Office of the City Clerk, City Hall, City of Cynthiana, Kentucky during regular business hours.

CERTIFICATE OF SUMMARY

I hereby certify that the foregoing Summary of Ordinance No. 1510 entitled Sewer Use Ordinance of the City of Cynthiana, Kentucky was prepared in accordance with KRS 83A.060 and other applicable law by the undersigned who is a licensed practicing attorney in the Commonwealth of Kentucky. All provisions of this summary including the attached sections imposing taxes, penalties or fees shall be published in full in the Cynthiana Democrat pursuant to the terms of KRS 83A.060.

John Lair, Attorney at Law
Cynthiana, Kentucky

Sec. 20-53. Compliance with local, state, and federal laws; penalties.

(a) The discharge of any wastewater into the public sewer system by any person is unlawful except in compliance with the provisions of this article, and any more stringent State or Federal Water Pollution Control Act Amendments of 1972, the Clean Water Act of 1977, and subsequent amendments.

(b) Any person who violates the provisions of section 20-51 relating to mandatory sewer connections, section 20-52 relating to unlawful discharges to storm sewers or natural outlets or section 20-54 relating to discharge of unpolluted waters into the sewer system, or who fails to carry out the duties and responsibilities imposed by those sections, or who impedes or interferes with any action undertaken or ordered pursuant to this article shall be subject to the following penalties:

(1) If the mayor, commissioner, police officer, wastewater superintendent or any other city official charged with implementation and enforcement of this article learns of any violation of the provisions of section 20-51 relating to mandatory sewer connections section 20-52 relating to unlawful discharges into storm sewers or natural outlets or section 20-54 relating to discharge of unpolluted waters into the sanitary sewer system, a written notice of the violation shall be affixed to the property where the violation has occurred or is occurring. Said notice shall describe the violation and order that it be corrected, cured or abated immediately or within such specified time as the wastewater superintendent determines is reasonable under the circumstances. If the violation continues and is not corrected or abated within the time specified, the city may terminate water service to the property subject to the following procedures:

(i) City shall attach to the property a notice stating that due to the violation, water services will be discontinued within a specified time and that the customer will have the opportunity to appeal the termination by requesting a hearing scheduled before the city commission or a city official designated as a hearing officer by the city commission. A copy of the notice shall also be mailed to the property owner, if known, however, failure to mail a notice to the property owner shall not be deemed a defense to the termination of service.

(ii) If a hearing is requested by the customer charged with the violation, he or she shall be given an opportunity to be heard before termination is ordered; and

(iii) The city commission or the hearing officer shall make findings of fact and order whether service should be continued or terminated.

(2) A fee of fifty dollars (\$50.00) shall be paid for the reconnection of any water service terminated pursuant to subsection 1. In the event of subsequent violations within three (3) years of the initial violation, the reconnection fee shall be two hundred dollars (\$200.00) for the second violation and three hundred dollars (\$300.00) for each additional violation.

(3) In addition to the termination of water service as set forth herein, any property owner or customer may also be charged with a criminal violation and prosecuted in the district court. Any person so charged and found guilty in district court of violating the provisions of this article by failing to comply with the requirements of section 20-51, 20-52, or **Sec. 20-71.5. Permit requirements and fees established.**

(a) No person shall connect or tap on to the sanitary sewer system of the city without obtaining a permit.

(b) Applications for permits to connect on to the sanitary sewer system of the city shall be obtained from the office of the city clerk as required by section 20-71 of the Code of Ordinances of the city. The application must be completed in full by the applicant and must be signed by the applicant. Upon completion of the application, it shall be returned and filed with the city clerk.

(c) Upon filing of a proper application, the city designated agent shall review the application and make a site visit. Following review of the application and site, it may be approved as filed, approved with conditions or rejected. In the event the application is rejected or the applicant disagrees with any condition imposed by the city agent, the applicant may appeal to the city commission. If the application is approved, it shall be signed by the city agent. If the application is approved with conditions, the permit shall be signed by the city agent and the permit shall set forth any conditions applicable to the permit.

(d) When an application has been approved or approved with conditions and after the permit has been signed by the city agent, the city clerk shall notify the applicant that he or she may pick up the permit at the office of the city clerk. At such time as the clerk issues the permit to the applicant, the applicant shall pay the following connection fees: original residential connection - five hundred dollars (\$500.00); original commercial or industrial connection - eight hundred dollars (\$800.00); replacement of an existing residential connection in the same location - one hundred fifty dollars (\$150.00); and replacement of an existing commercial/industrial connection in the same location - two hundred fifty dollars (\$250.00). A receipt for payment of the connection fee shall be attached to the permit when issued by the clerk. The applicant shall retain the permit in his or her possession and shall be prepared to display the permit to any city officer.

(e) The applicant shall notify the city agent when the connection is completed in order that the inspection required by section 20-74 may be made. Any person closing a trench prior to inspection by the city shall be required to uncover the trench for inspection and pay an additional fee of one hundred dollars (\$100.00).

(f) In the event that it is necessary for the applicant to open any city street in order to connect on to the sanitary sewer system, the applicant shall also post a street opening bond in the amount of two hundred fifty dollars (\$250.00) which shall be refunded to the applicant upon completion of the connection and restoration of the street to city specifications. The bond shall be posted at the time the connection fee is paid.

(g) Any person failing to comply with these requirements shall be subject to the penalties set forth in section 20-72 of the Code of Ordinances of the city.
(Ord. No. 1256, §§1–7, 11-8-94; Ord. No. 1256-A, §§1–7, 6-13-95; Ord. No. 1427, § 1, 10-24-06)
Editor’s note–Ord. No. 1256, §§1–7, adopted November 8, 1994, did not specifically amend the Code; hence, inclusion herein as 20-71.5 was at the discretion of the editor.

Sec. 20-72. Prohibited connections.

(a) No person shall make any connection to the city sewer system without obtaining a permit as provided in section 10-71 of the Code of Ordinances of the city. Any person who makes a connection to the sewer system of the city without obtaining a permit or violates any section of this section shall be subject to a civil penalty which may be assessed by the city commission in an amount not to exceed one hundred dollars (\$100.00) per day for each day of violation and shall further be guilty of a misdemeanor and subject to a criminal fine in an amount not to exceed five hundred dollars (\$500.00) as may be assessed by the district court with each day of violation constituting a separate offense. In addition to any civil or criminal penalties or fines which may be assessed, the city may disconnect sewer service and/or water service to the subject property until the permit is obtained and until the person has complied with all of the provisions and requirements relating to connection to sanitary sewers as set forth in the Code of Ordinances of the city.

(b) No person shall make connection of roof downspouts, basement wall seepage or floor seepage, exterior foundation drains, areaway drains, or other sources of surface runoff or groundwater to a building sewer or building drain which in turn is connected directly or indirectly to a public sanitary sewer. Any such connections which already exist on the effective date of this article shall be completely and permanently disconnected within sixty (60) days of the effective date of this article. The owners of any building sewers having such connections, leaks, or defects shall bear all cost incidental to removal of such sources. Pipes, sumps and

pumps for such sources of ground and surface water shall be separate from wastewater facilities. Removal of such sources of water without presence of separate facilities shall be evidence of drainage to public sanitary sewer.

(c) Floor, basement or crawl space drains which are lower than ground surfaces surrounding the building shall not be connected to the building sanitary sewer. A sanitary inlet which is not six (6) inches above the top of the lowest of the two (2) adjacent public sanitary sewer manholes shall be connected by direct drainage to the building sanitary sewers.
(Ord. No. 1125-C, Art. IV, 7-15-92; Ord. No. 1255, §1, 11-8-94)

Sec. 20-87. Restricted discharges.

(a) Wastewater containing more than twenty-five (25) milligrams per liter of petroleum oil, nonbiodegradable cutting oils, or products of mineral oil origin.

(b) Wastewater from industrial plants or commercial businesses containing floatable oils, fat, or grease, whether emulsified or not, in excess of one hundred fifty (150) milligrams per liter (150 mg/L) or containing substances which may solidify or become viscous at temperatures of 32-150 Fahrenheit (0-65 Celsius).

(c) Any garbage that has not been properly shredded. Garbage grinders may be connected to sanitary sewers from homes, motels, institutions, restaurants, hospitals, catering establishments or similar places where garbage originates from the preparation of food in kitchens for the purpose of consumption on the premises or when served by caterers. The installation and operation of any garbage grinder equipped with a: 3/4 HP motor or greater shall be subject to review and approval.

(d) Any wastewater containing toxic pollutants in sufficient quantity, either singly or by interactions with other pollutants, to injure or interfere with any wastewater treatment process, constitute a hazard to humans or animals, create a toxic effect in the receiving waters of the POTW, or to exceed the limits set forth in a Federal Pretreatment Standards. A toxic pollutant shall include but not be limited to any pollutant identified pursuant to Section 307 (a) of the Act.

(e) Any waters or waste containing odor-producing substances exceeding limits which may be established by the city commission.

(f) Any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established by the city commission in compliance with applicable state or federal regulations.

(g) Any water or wastes which, by interaction with other water or wastes in the public sewer system, release obnoxious gases, form suspended solids which interfere with the collection system, or create a condition deleterious to structures and treatment processes.

(h) Any wastewater with objectionable color not removable in the POTW, but in no case, wastewater with a color at the introduction into the POTW that exceeds three hundred (300) ADMI units.

(i) Waters or wastes containing substances which are not amenable to treatment or reduction by the wastewater treatment processes employed, or are amenable to treatment only to such degree that the wastewater treatment plant effluent cannot meet the requirements of other agencies having jurisdiction over discharge to the receiving waters.

(j) Any water or waste which has characteristics based on a 24-hour composite sample, grab, or a shorter period composite sample if more representative, which exceed the following normal maximum domestic wastewater parameter concentration:

<i>Parameter</i>	<i>Daily Maximum Allowable Concentration Without Surcharge</i>	<i>Surcharge costs per</i>
<i>pound</i>		
BOD	250 mg/L	\$0.46
TSS	300 mg/L	\$0.43
NH-N	30.0 mg/L	\$1.19
TP	7.0 mg/L	\$1.54

Discharges greater than these concentrations may be subject to penalties contained in the Enforcement Response Plan for the City of Cynthiana, in addition to the surcharge.

(k) The city has received authority through U.S. EPA and State statutes to enforce the requirements of 40 CFR Subchapter N and 40 CFR 403. All users shall comply with the requirements of those regulations as well as with all divisions of this article.

(l) Any waste or wastewater classified as a hazardous waste by the Resource Conservation and Recovery Act (RCRA), without, at least, a 60-day prior notification of such discharge to the superintendent of the POTW. This notification must include name of the waste, EPA hazardous waste number, type of discharge, volume/mass of discharge and time of occurrence. The superintendent may deny or condition this discharge at any time.

(m) The following limitations are established for the characteristics of any wastewaters to be discharged into the municipal sewer system:

<i>Parameter</i>	<i>Maximum Daily Concentration (mg/L)</i>
Arsenic	0.23
Cadmium, total	0.02
Chloride, total	375.0
Chromium, hexavalent	0.37
Chromium, total	3.30

*American Dye Manufacturers Institute (ADMI)
**As defined by CFR
(Ord. No. 1125-C, Art. VI, 7-15-92; Am. Ord. No. 1125E, 6-22-99; Am. Ord. No. 1457, 3-24-09)

Sec. 20-90. Special industrial pretreatment requirements.

(a) Pursuant to the requirements imposed on publicly owned wastewater treatment works by the Federal Water Pollution Control Act Amendments, all pretreatment standards promulgated by the U.S. EPA under 40 CFR Subchapter N and 40 CFR 403 for new and existing industrial discharges to public sewer systems are hereby made a part of this article. Any industrial waste discharge which violates these EPA Pretreatment Standards will be in violation of this article.

(b) Where pretreatment of flow equalizing facilities are provided or required for any waters or wastes, they shall be maintained continuously in satisfactory and effective operation by the owner(s) expense.

(c) Any person who transports septic tank contents, seepage pit or cesspool contents, liquid industrial waste or other batch liquid waste and wishes to discharge to the public sewer system shall apply for a waste hauler discharge permit to the superintendent. A fee of three hundred dollars (\$300.00) is to be paid at the time of application. Upon completion of the application a discharge permit will be issued for a one (1) year time period and will be renewed each year. A fee of twenty dollars (\$20.00) will be charged for each one thousand (1000) gallons discharged at the wastewater treatment plant. All persons receiving a waste hauler discharge permit shall abide by all applicable provisions of this article and any other special provisions that may be established by the superintendent as necessary for the proper operation and maintenance of the wastewater treatment plant. It shall be illegal to discharge any batch liquid waste into any manhole or other part of the public sewer system, or any building sewer or other facility that discharges to the public sewer system. Any liquid waste hauler illegally discharging to the public sewer system shall be subject to immediate revocation of discharge permit and further subject to the penalties and enforcement actions prescribed in division 10. Nothing in this article shall relieve waste haulers of the responsibility for compliance with county health department, state or federal regulations.
(Ord. No. 1125-C, Art. VI, 7-15-92)

Sec. 20-108. Charges and fees.

(a) The fees associated with establishing, operating or updating the city's pretreatment program shall consist of the actual and direct cost incurred. These fees or charges shall be jointly and equally shared by all pretreatment participants.

(b) The fees for monitoring, to include biomonitoring, inspections, surveillance procedures, reviewing actual discharge procedures (to include clean up, stabilization, neutralization or other treatment as may be required and/or construction) shall consist of the actual and direct costs incurred by the city. These fees or charges shall be assessed individually to each pretreatment participant as may be necessary.

Freshman and JV football each win over Montgomery

The Harrison County freshman team ran its undefeated record to 4-0 Monday night as they shut out the Montgomery County first-year players, 13-0. Once again, the Harrison County defense dominated the opponent for the second straight scoreless game.

The Harrison County scores came on a 25-yard Tanner Wells pass to Dalton Moore and Tyler Jackson's three-yard run. Austin Jackson kicked the successful point after.

The junior varsity spotted the Montgomery County team a 6-0 half-time lead before roaring back for a 20-6 win. Jordan Kenney had a 60-yard run up the middle for a score for the first Harrison County points. Malcolm Walker's 40-yard pass to Brian Davis gave the Harrison County squad a 12-6

lead and Kellen Williams powered his way to a score on a 35-yard run for the final touchdown. Williams ran the two-point conversion in for the final 20-6 score.

PeeWee gets underway Saturday

The Pee Wee Football League will start this Saturday and Sunday afternoons in Ingles Stadium. The games will feature the third, fourth, fifth and sixth grade youth playing on Lawson Field.

Softball tournament at River Road

The Cynthiana-Harrison County Parks & Recreation Department will be holding a wooden bat softball tournament on Oct. 19-20. For more information you can contact Darrell Baxter at 859-298-5113.

Continued from page20

SUMMARY OF ORDINANCE NO. 1510

(c) The fee for each initial permit application or annual renewal shall be three hundred dollars (\$300.00) for identified commercial or industrial participants.

(d) The fee for filing any appeal as hereinafter provided shall be one hundred dollars (\$100.00) for each appeal.

(e) The fee for waste haulers to be permitted shall be three hundred dollars (\$300.00). The fee for discharging waste into the POTW shall be twenty dollars (\$20.00) per one thousand (1000) gallons.

(f) The fees for consistent removal by the POTW of pollutants otherwise subject to federal pretreatment standards shall be:

- (1) BOD in excess of 250 mg/L = \$.20/pound.
- (2) TSS in excess of 300 mg/L = \$.20/pound.
- (3) NH3N in excess of 30 mg/L = \$.17/pound.

These fees shall be calculated as follows:

Fee = [Q MGD (P - A) (8.34/lb Gal) R/lb]
Q MGD = Flow Million Gallons/Day
P = Parameter Concentration
A = Allowable Parameter Concentration
R/lb = Rate \$ per pound

(g) Other fees as the city may deem necessary to carry out the requirement contained herein shall consist solely of the actual and direct costs incurred by the city.

(h) These fees relate only to the matters covered by this article and are separate from all other fees chargeable by the City of Cynthiana.
(Ord. No. 1125-C, Art. VII, 7-15-92)

Sec. 20-109. Sewer rates for nonindustrial recovery customers.

Wastewater Services Monthly Rate Schedule

From	To	OM & R Rate	Debt Service Rate	Total User Charge Rate	Minimum Bill
0	2,000 gals.	6.60	9.90	16.50	16.50
2001 gals.	All gals. Over 2,000	3.30 per 1,000 gals.	1.85 per 1,000 gals.	5.15 per 1,000 gals.	

For residential, industrial, institutional and commercial users, monthly user charges will be based on actual water usage. If a residential, commercial, institutional, or industrial user has a consumptive use of water, or, in some other manner, uses water which is not discharged into the wastewater collection system, the user charge for that contributor may be based on readings of a wastewater meter(s) or separate water meter(s) installed and maintained at the user's expense.
(Ord. No. 1231, § 1, 6-23-92; Am. Ord. 1315, 5-23-00; Am. Ord. 1357, 1-28-03; Am. Ord. No. 1380, 6-22-04; Am. Ord. No. 1475, 12-28-10)

Editor's note - Ordinance No. 1231, adopted June 23, 1992, did not specifically amend the Code; hence, inclusion of § 1 as § 20-109 was at the discretion of the editor.

Sec. 20-120. Administrative penalties.

Any industrial user who is found to have violated any provision of this article, or the others and permits issued hereunder, shall be fined in an amount not to exceed five thousand dollars (\$5,000.00) per violation. Each day on which noncompliance shall occur or continue shall be deemed a separate and distinct violation. Such assessments may be added to the user's next scheduled sewer service charge and the superintendent shall have such other collection remedies as he has to collect other service charges.
(Ord. No. 1125-C, Art. X, 7-15-92; Am. Ord. No. 1370, § 5, 8-26-03)

Sec. 20-125. Penalties.

(a) Any industrial user who has violated or continues to violate this article or any order or permit issued hereunder shall be liable to the superintendent for a civil penalty of not more than ten thousand dollars (\$10,000.00) plus actual damages incurred by the POTW per violation per day for as long as the violation(s) continues. In addition to the above described penalty and damages, the city, acting through the superintendent, may recover reasonable attorney's fees, court costs, and other expenses for his enforcement activities, including special sampling and monitoring expenses.

(b) The city, acting through the superintendent, shall petition the court to impose, assess, and recover such sums. In determining amount of liability, the court shall take into account all relevant circumstances including, but not limited to, the extent of harm caused by the violation, the magnitude and duration, any economic benefit gained through the industrial user's violation, corrective actions by the industrial user, the compliance history of the user, and any other factor as justice requires.
(Ord. No. 1125-C, Art. X, 7-15-92; Am. Ord. No. 1370, § 5, 8-26-03)

Sec. 20-126. Criminal violations.

(a) Any industrial user who willfully or negligently violates any provision of this article, or any orders or permits issued hereunder shall, upon conviction, be guilty of a misdemeanor, punishable by a fine not to exceed five thousand dollars (\$5,000.00) per violation, per day, or imprisonment for not more than one (1) year, or both.

(b) In the event of a second conviction, the user shall be punishable by a fine not to exceed ten thousand dollars (\$10,000.00) per violation, per day, or imprisonment for not more than three (3) years, or both.
(Ord. No. 1125-C, Art. X, 7-15-92; Am. Ord. No. 1370, § 5, 8-26-03)

Sec. 20-127. Falsifying information.

(a) Any industrial user who knowingly makes any false statements, representations or certifications in any application, record, report, plan or other document filed or required to be maintained pursuant to this article, or wastewater permit, or who falsifies, tampers with, or knowingly renders inaccurate any monitoring device or method required under this article shall be guilty of a misdemeanor and shall be fined not more than five thousand dollars (\$5,000.00) per violation, per day, or imprisoned for not more than one year, or both.

(b) In the event of a second conviction, the user shall be punishable by a fine not to exceed ten thousand dollars (\$10,000.00) per violation, per day, or imprisonment for not more than three (3) years, or both.
(Ord. No. 1125-C, Art. X, 7-15-92; Am. Ord. No. 1370, § 5, 8-26-03)
